

Once you TriGreen... service meets savings.

AG WINTER SERVICE SPECIALS

QUALITY SERVICE

FROM A TEAM YOU CAN TRUST

As winter approaches, now is the perfect opportunity to ensure your equipment is ready for next season. That's why we're offering our best deals of the year with our Winter Service Specials!

Each maintenance program will ensure that your machine is ready for the spring, and each inspection program provides you with a detailed checklist of essential maintenance as well as a report of any findings. We encourage you to review these findings with the service manager, keeping in mind that any repairs you would like to have done will be completed with genuine John Deere parts, as well as the added benefits listed.

These Winter Service Specials are only good through February 28, 2017, so call today or request your service through our website at www.trigreenequipment.com/requestservice.

Thank you for your business,

Corey Webb
Corporate Service Manager

JOHN DEERE
FINANCIAL

**No Payments. No Interest.
No Problem.**

With our Winter Service Specials, you can enjoy the peace of mind that your equipment will be ready for next season without worrying about your budget. Through our partnership with John Deere Financial, you can defer payments and interest. So you can be confident you'll have the equipment and finances to succeed at the start of the season.

150 Days NP/NI**
(Min. Purchase: \$250)

NP/NI Waiver until
July 1, 2017**
(Min. Purchase: \$250)

¹ Glove offer ends 1/31/17. Work gloves will be shipped directly to the customer's address entered online. Please allow 2-3 weeks for delivery. Limit 1 pair per household.

** All programs subject to John Deere Financial multi-use account approval and John Deere dealer participation. Program options are available for John Deere Financial multi-use Agricultural and Commercial account holders only. After promotional period, interest charges will begin to accrue at the regular John Deere Financial multi-use account rate.

- Remove the sieve screen and sieve frame
- Check both frames for any cracks
- Replace all the pitman arms on the shoe
- Price includes parts and labor

Sprayer Winterization

\$399.99

Service Includes:

As the temperatures drop, it can cause adverse effects on the solution system of your sprayer, so let us take care of winterizing your machine. We will mix winterization fluid and water to the correct mixture and run it through your sprayer to ensure that the solution tank, all valves, lines and nozzle bodies have the proper amount of fluid to keep them from freezing. Don't be caught next year with costly repairs and downtime – protect your equipment by winterizing it this season. **Price includes winterization fluid.**

Sprayer Inspection

\$199.99

Service Includes:

- Check stored codes
- Check engine
- Check fuel system
- Check hydraulic and hydrostatic system
- Check chassis

Nozzle Flow Check: \$129.99

- Check boom
- Check solution system
- Check foam marker system
- Includes a detailed estimate of needed repairs

Irrigation Preventative Maintenance

The Leader in Precision Irrigation.

Schedule your Preventative Maintenance today.

Reduce your risk of downtime, crop loss and expensive repairs later. We have the program that meets your machine's age and needs. Call Doug Parrish at 256-446-5905 or email him at dougparish@trigreenequipment.com to get more information on our certified preventative maintenance programs.

ONE STAR PROGRAM

\$20/Drive Unit

TWO STAR PROGRAM

\$30/Drive Unit

THREE STAR PROGRAM

\$40/Drive Unit
